Dear Constituent

I am writing to you in response to your letter highlighting the appalling situation you find yourself in as a result of the retro-active application of the Spanish coastal law.

I have received many letters from citizens throughout Europe who own homes in Empuriabrava and have, as a result, been detrimentally affected by the same legislation.

I am therefore happy to show my support for your cause and have already signed the written declaration on the violation of the right to own property represented by the Ley de Costas (Law on Coastlines) on the Costa Brava (Cataluña, Spain).

If you are in need of any further assistance in relation to this matter, please do not hesitate in contacting my office as either myself or my staff will be more than happy to assist you.

Yours faithfully

DIANE DODDS MEP
